ELUCIDATION OF
REGULATIONS OF THE REGENCY KABUPATEN MAGELANG
NUMBER 6 OF 2021

ON

PREVENTION AND ERADICATION FACILITIES NARCOTICS AND NARCOTIC
PRECURSORS ABUSE AND ILLEGAL DISTRIBUTIONS

I. General

The misuse and illicit circulation of narcotics and narcotic precursors in Magelang Regency is worrying and threatening the development of human resources as well as the life of the nation and state, so it is necessary to prevent and eradicate and handle them in an integrated, directed and sustainable manner.

This is very important considering that Magelang Regency is one of the intersection areas in Central Java which is directly adjacent to Sleman Regency (DIY Province), Semarang Regency, Temanggung Regency, Wonosobo Regency, Purworejo Regency and Boyolali Regency, and close to the international airport in Kulon Progo (DIY). Based on this geographical location, the Magelang Regency area has the potential to become a place of passage and distribution of narcotics and narcotic precursors abuse and illegal distributions.

Provisions Article 3 letter a regulation of the Minister of Home Affairs Number 12 of 2019 concerning Prevention and Eradication Facilities Narcotics and narcotic precursors abuse and illegal distributions, Local Governments need to compile regulations in the form of Regulations of the Regency as a synergistic effort to build coordination and play an active role in the prevention and eradication of narcotics and narcotic precursors abuse and illegal distributions in Indonesia, especially the Magelang Regency area.

This Regulation of the Regency, formulates efforts to prevent and eradicate narcotics and narcotic precursors abuse and illegal distributions within the Regional Government, vertical agencies, community environment, education unit environment, family environment, Company / Business Entity environment.

The scope of the Regulation of the Regency includes the Implementation Prevention and Eradication Facilities Narcotics and narcotic precursors abuse and illegal distributions including early detection, early anticipation, prevention, eradication, and handling, Regional Action Plans, Institutions, The Role of Villages/Village Governments, among others, with the establishment of neighborhoods/Village Clean Drug Villages, Provision of Facilities, Infrastructure, and Human Resources, Cooperation, Community Participation and Empowerment, Monitoring, Evaluation and Reporting, Coaching and Supervision, Awards, and Funding.
